60 Percent Reduction in W. P. A. Rolls to Cause Emergency

Pickaway county will not receive any poor relief distribution from the state for the month of February—because the county had a balance in its poor fund at the end of 1938.

The state board of control Saturday was to consider certification of poor relief distribution made by Director Charles L. Sherwood, away county was refused February.

Director Sherwood declared "it is clearly the intent of the General Assembly in the emergency relief law not to reimburse counties which had a balance on hand January 1, 1939 when that balance had accrued from the distribution of state taxes levied and disbursed for purposes of relief. Rather it was the intention of the legislature to provide funds for counties whose relief resources are exhausted provided they can match state funds on a 50-50 basis."

No Aid Before July

On the basis of Director Sherwood's February certification which is the first under the 1939 \$5,000,000 emergency relief bill, Pickaway county will probably receive no state relief funds before July and probably will receive none during the 1939-40 biennium in the event there is no alteration in the terms of the final relief law as enacted to be effective when the emergency appropriation expires.

Pickaway county is not alone in its plight. Fifty-three other counties were refused state funds when the director made his first certification under the new law, distributing \$1,250,000 among 35 counties which had relief deficits. Many of the counties rejected, notable among them Medina, had sent delegations here describing necessitous conditions even though they had operated last year with a balance.

Many relief directors in estimating their needs for the current six month period have forecast sharp increase in relief needs April 1 when a 60 percent reduction in W.P.A. rolls is scheduled to begin.

Pickaway county schools received \$20 each Saturday in a distribution of receipts from the county basketball tournament.

The distribution was made at the meeting of county superintendents. A financial report of the tournament showing a balance of \$474.45 was presented by Myron T. Johnson, superintendent of Pickaway township school and tournament manager.

The distribution was \$10 lower for each school than that of 1938 when a balance of \$553.17 was realized. Funds remaining from the 1939 tournament fund will be used for the county track meet and to defray any loss on the county music festival.

Other matters discussed by the superintendents included tests. The general scholarship test for high school seniors will be April 1 in Circleville high school. Eighth year tests will be held April 28 at various centers in the county. Elimination tests will be April 15. Sale of Liquor, Marijuana Cigarettes Hinted Inside Walls

COLUMBUS, March 4—A strict censorship on all Ohio penitentiary news was imposed today by Acting Warden William F. Amrine as it was learned he would make sensational charges concerning pen conditions unless James C. Woodard, suspended warden, agrees to resign.

From reliable authorities it was learned that Amrine's investigators have found evidence of gambling and the sale of liquor and narcotics within the walls of the century old prison.

Liquor is sold in at least five different places in the penitentiary, the investigators reportedly told told Amrine and marijuana cigarettes are sold to inmates at an average price of 25 cents each.

Dice and poker games for high stakes are frequent, according to investigators. It was reported that one poker game involved as much as \$500 on the table at one time.

Probe Progress Secret

Amrine's news censorship, it was believed, came in an effort to prevent progress of the prison probe from leaking out through guards and other prison employees.

The notice posted in the prison office was: "To all officers and employees of Ohio penitentiary: Effective at once, all information pertaining to the institution to be given to the newspapers for publicity purposes must come direct from the warden."

State Welfare Director Charles L. Sherwood, who instigated the probe and suspended Woodard, denied knowledge of the news censorship, saying "I didn't know that such a rule had been posted."

Although not completely substantiated, reports were frequent that the investigators had found that convicts were able to smuggle letters out of the penitentiary by paying \$2 to an unnamed person.

"ROSEBUD BABY" DIES; KILLER TO FACE CHARGES

SUNBURY, Pa., March 4—Accused of beating to death two-year-old Mariam Wolf, known as the "rosebud baby," Paul W. Barlick, 22-year-old former brickyard worker, was held in jail today under close guard by police.

Corporal Gray of the Pennsylvania state police quoted Barlick as admitting that he beat the child "at least 50 times because I was jealous of her father." The child was also branded with a stove lid lifter.

Called "Rosebud" because she was so tiny at birth, Mariam died Friday afternoon after being unconscious for five days. An autopsy report disclosed that the child's death was caused by injuries of the brain, kidneys and intestines.

Mrs. Helen Wolf, the child's mother, broke down in a jail cell when she was informed of the baby's death. She is charged with assault and battery and intent to kill because of failure to report the child's injuries to police.

F. D. R., HUGHES AND PITTMAN PROCLAIM DEMOCRACY'S NEED

WASHINGTON, March 4—America's three branches of government—the executive, the judicial and the legislative—proclaimed the immortality of democracy today in a joint session of the 76th congress, convened to commemorate the first.

President Roosevelt sounded the keynote.

Standing before the congress, the supreme court, his cabinet and a colorful array of the world's diplomats, Mr. Roosevelt challenged a world in which he recognized ambitious advancement of certain systems of "concentrated, self-perpetuating power," with these words:

"Today, with many other democracies, the United States will give no encouragement to the belief that our processes are outworn, or that we will approvingly watch the return of forms of government which for two thousand years have proved their tyranny and their instability alike."

Justice Hughes Next

Chief Justice Charles Evans Hughes spoke for the judiciary, and echoed the President's words.

"The most significant fact in connection with this anniversary," he said, "is that after one hundred and fifty years, notwithstanding expansion of territory, enormous increase in population and profound economic changes, despite direct attack and subversive influences, there is every indication that the vast preponderant sentiment of the American people is that our form of government shall be preserved."

For the legislative branch of the government, Senator Key Pittman of Nevada, president pro-tem of the senate, and Speaker William B. Bankhead reviewed a past in which they said democracy has proven its worth and must be preserved for the future.

MURDERER DIES IN CHAIR AFTER TRYING SUICIDE

COLUMBUS, March 4—Acting Ohio penitentiary Warden W. F. Amrine today admitted that Frank Tracy attempted to commit suicide several hours before he was electrocuted for the murder of a Columbus car dealer.

With a gaping slash across his right wrist, inflicted with a sharp piece of steel, Tracy died in the electric chair after leaving a note assailing Amrine for assertedly refusing to grant privileges usually given doomed prisoners. The note follows:

"Mr. Amrine has the policy of refusing a condemned man what little he may ask for as a last meal in this world and one hour from his death. Could it be discipline that prompts Mr. Amrine to refuse a last request of a few words with a lifelong friend to a man he is about to legally murder.

"It is pretty small of any individual who will refuse the little food that a condemned man asks for his last meal. Christian church with a murder machine under the same roof."

"After admitting that Tracy attempted suicide in an endeavor to cheat the chair, Amrine flatly denied that Tracy had been refused food. He added that he had turned down Tracy's request to see the "lifelong friend."

"This is a prison," Amrine said, "you can't go around unlocking doors and letting prisoners get together and chat with each other."

When the boy was finally released on payment of \$180 instead of the \$7,000 ransom demanded Katz thought he was indebted to Mitchell for life. But police have put a different, amazing light on the case. Mitchell, the trusted friend, has been arrested with two others and identified as the persons who held the boy prisoner for two hours. Police said that they learned Mitchell and his companions were heavily indebted to loan sharks.

News of their plans to be wed "somewhere in Mexico" was revealed by Markey who has made his mark as a producer for Twentieth Century-Fox.

Although the pair have been romantically linked together since Hedy, divorced wife of Fritz Mandl, European munitions maker, has been in Hollywood, the marriage plan of the pair was nonetheless a surprise.

Hedy was seen for at least a year in the company of Reginald Gardner, because, as she admitted to friends, "he was so safe." But she let it be known, too, that so far as Markey was concerned, it was a case of love at first sight.

ASHVILLE SHOWS POWER

Liberty Union, Plain City, Gambier Provide Foes Saturday Night

For the first time in a good many years, all three Pickaway county basketball teams competing in the Central district class B tournament won their first round games, and Saturday they were preparing to go to the wars during the evening against three second round foes.

Scores of the first round games, played Friday, were: Scioto 46, Utica 26. Pickaway 38, Hyatts 33. Ashville 34, Jacksontown 17. Scioto meets Liberty Union, strong Fairfield county team, at 6 o'clock Saturday evening. Pickaway takes on Plain City of Union county an hour later, and Ashville again winds up the evening's festivities with a 9 o'clock game against Gambier. Sandwiched between the Pickaway-Plain City and Ashville-Gambier games will come the contest between Amanda and Centerburg, also of much interest to Pickaway countians. Amanda gained the second round with a 30-26 victory over Johnsville.

Circleville Eliminated Circleville high school, unable to cope with the break break and speedy ball handling of the Bexley Blue Lions, went down to a 50-24 defeat in the Central district A tournament at Delaware. The Bexleyites defeated the Red and Black 50-25 on the Bexley court a few weeks ago, making the tournament score one point worse. Scioto, first Pickaway county team to show at Westerville, took a long lead over Utica at the first half intermission when the score was 22-9. The third period closed 30 to 17. Harold Gulick, Daily Herald's all-tournament guard and captain, paced his cagers with five goals and three free throws.

Liberty Union, the Scioto opponent tonight had little trouble with Marion St. Mary's to win 45-23. The Fairfield team's center proved to be its biggest scoring threat.

Pickaway From Behind Pickaway came from behind after trailing 17-21 at halftime to edge the Hyatts crew. Tall George Wilson had his lefthanded hook shot working to perfection to gain 18 points on eight field goals and two tosses from the charity line. Junior Rhoades connected for 11 points to aid the total.

Plain City came through a bitter battle to win from Berlin 34-32 in a ding-dong contest. Price, Plain City center, tallied 15 points. Ashville had an easy time with Jacksontown although the first half was close, the Kaubermen holding only a three point advantage 14-11, as the third session started. The Ashville fast break, Gregg and Walden getting most of the points, worked to perfection in the last half, the Broncos winning going away. Gregg hit for 14 points and Walden for 12. Gambier, Ashville foe tonight, eliminated the strong Rosedale team, 42-38.

Amanda showed strength in taking the Johnsville team in a 30-26 game. Hiatt, Young and Lutz divided the Fairfield team's points, the former getting 11 tallies.

All Games of Interest The Westerville gymnasium is expected to be crowded tonight with Pickaway countians comprising most of the audience since all four of the games have direct interest here.

Other results of district A games were: Washington C. H. 21, Columbus Central 20; Columbus East 35, Marion Harding 22; Grandview 33, Columbus West 28.

ANDERSON'S 104 POINTS LEAD CITY LEAGUE STARS

Creighton Anderson's 104 point total continued to lead the Circleville city league individuals today with Carroll Woodruff, Bach insurance center, being nearer than anyone else with an 82 total.

Anderson added six points to his total in the Purina outfit's losing game against the Eschelman Feeds Wednesday evening. Woodruff was absent Wednesday and so was Walter Gregg of the Caskey's, whose 80 keeps him in third place. Other high scorers in the league are Reichelderfer of Gilt's, 78; H.

ON THE REBOUND

Camp Notes: Van Mungo Topic, DiMag's Contract Arrives; Detroit Rookie Hits

HOT SPRINGS, Ark., March 4—The New York Giants were set today to depart for their main training headquarters at Baton Rouge, La. In a final workout before leaving, and with Bill Terry pitching for both sides, Carl Hubbell's team defeated Hal Schumacher's combination, 31 to 13.

CLEARWATER, Fla., March 4—Van Lingle Mungo and his off-season activities were the chief topic of conversation in the Brooklyn Dodgers camp today. Larry MacPhail said Commissioner K. M. Landis has been informed of Mungo's doings, "such as basketball and joining Joe Stripp's baseball school." There were reports that Mungo has been ordered to appear before Landis.

RACE OF KANSAN AND DON LASH GETS ATTENTION

NEW YORK, March 4—With more than a score of I. C. 4-A colleges competing, there will be worlds of spirit but no world records on tap at the intercollegiate track championships in Madison Square Garden tonight.

Some of the current crop of collegians are good, but not quite good enough seriously to endanger world figures. To be brutally frank about it, they will be lucky to erase as many as three of the existing I. C. 4-A marks.

If any new world record is in the offing, it will be made in the special two-mile race which has been added to the program as a lure to the cash customers, who might otherwise stay away in droves. This is the event that will bring together Glenn Cunningham, king of the millers, Don Lash, boss of the two millers, Gregory Rice of Notre Dame and Tommy Deckard of Indiana.

If the pace is fast enough, Lash's 8:58 may go overboard.

Bowling News

A team of Circleville all-stars lost a 115-pin decision Friday night to the D. & A. Steers in a 10-pin match rolled in Chillicothe. Team totals were Chillicothe, 2,734; Circleville, 2,619.

Four of the Chillicotheans were far above the 500-pin mark, hitting for 557, 555, 546 and 565. The fifth was nine pins short of 500. Bob Campbell's 599 was high for the evening, but several of his teammates were on the skids.

Anita Handicap Wide Open Fray

SANTA ANITA, Cal., March 4—Before an estimated crowd of 65,000 persons, 18 of America's finest thoroughbreds will battle it out today for the world's richest racing purse in the fifth renewal of the Santa Anita handicap.

And when it's all over, one of those horses will get his nose into the juiciest feedbag of his life—a \$90,000 meal, gold oats.

From an original list of 197 candidates, the field has been narrowed down to 18 overnight entries, and it may be that only 15 will go to the post, as three are intended to start only on a muddy track.

These are Mrs. Emil Denmark's War Minstrel, Kozinsky Brothers' Amor Brujo and the Binglin stable's Olimpo. All three were named also for the Burlington handicap, fifth race on the card.

The official weather forecast is for fair weather and a fast track. Cravat in Favored Role Townsend B. Martin's Cravat probably will rule post time favorite in what appears to be the most wide open Santa Anita handicap yet staged.

There is no standout favorite such as Equipoise or Discovery or Seabiscuit, and the fact that all three went down to defeat is beside the point.

The glamour horse was removed from this year's field when Seabiscuit ruptured a suspensory ligament a couple of weeks ago, and no horse has come along to take his place.

Charles S. Howard's Kayak II, stablemate of the 'Biscuit, raced into the headlines when he came from behind to wear down Specify and win the San Carlos handicap in track record time, and was immediately established a strong future book favorite. He held his position safe until yesterday, when gobs of money for Cravat forced his price down to 3 to 1. Kayak, coupled in the betting with Sorteado, is a strong second choice, ahead of Major Austin G. Taylor's Whichecke and A. A. Baroni's Specify.

Kayak, weighted at 110 pounds before he had shown his real class, is conceded to have a big bulge in the weights. Only four rank outsiders are weighted below him—Quick Devil with 109, Amor Brujo with 108, Frexo with 106 and Melodist with 105.

Top weight of 124 pounds will be packed by Kayak's teammate, Sorteado, 3-year-old champion of the Argentines last year, but apparently far from his best condition at the present time, probably because he has been rushed along too fast in an effort to pinch hit for Seabiscuit. He has been in the country only three months.

LAKE CHARLES, Fla.—March 4—Connie Mack's list of holdouts dwindled to five today with the announcement that Infielder Stan Sperry would join the Athletics' camp as soon as possible. That left Outfielder Dee Miles, Catcher Frank Hayes, Pitcher Leon Parmelee and Infielder William Nagel and Bill Werber still to be heard from in the matter of signed contracts.

LAKELAND, Fla., March 4—The powerful booming heard from the Detroit Tigers training camp recently today was identified as the hitting power displayed by Rookie Frank Secory, 200-pound outfielder from Grand Haven, Mich. The young giant has been socking them high, wide, and frequently all over the lot and fences. Only Hank Greenberg, Charley Gehringer, Boots Poffenberger, Boyd Perry, Dickey Walker, Pete Fox and Billy Rogel have yet to report for their Spring training sessions.

NEW ORLEANS, March 4—Although still hampered by inclement weather, Manager Oscar Vitt of the Cleveland Indians, today continued his efforts to build up an effective infield.

One of his outstanding prospects, among the rookies, was Ray Mack, former college athlete of Cleveland, who has shown quite a bit of ability with a bat in the few days the tribe has been in training.

HOWARD'S COLT TO FEATURE BIG HIALEAH EVENT HIALEAH PARK, Fla., March 4—Stagehand, the gallant Sickle colt owned by Maxwell Howard and trained by Earl Sande, is the leading character in the Widener \$50,000 classic to be decided this afternoon.

Eight other equine actors also perform in the thrilling drama but Stagehand holds the center of the stage. Stagehand will enrich Howard \$47,450 if he lives up to his vaunted prowess. He will also be crowned king of the handicap division.

This princely stake is robbed of much of its glory by the enforced absence of War Admiral. The Man O' War colt was unfortunate to suffer from a throat infection and that proved an impassable barrier to surmount.

Bull Lea, the Calumet Farm Buller Country club, 6-1, 5-7, 62, 7-5, follow Stagehand across the line for second money which amounts to \$8,000.

11,000 TO SEE BUCKS BATTLE FOR LOOP TITLE

Ohio State Cagers Have Chance for Share of Big Ten Crown

PURDUE TEAM IS FOE

Jimmy Hull Certain to Win Conference Scoring Mark

COLUMBUS, March 4—Assured of at least a tie first place in the Western Conference cage race in the event of a victory, Ohio State university tonight clashes with Purdue on the Fairgrounds Coliseum floor.

With a crowd of 11,000 persons anticipated, Ohio State was established as favorite to overcome the pesky Boilermakers and thus end a highly successful season.

Ohio State is now tied with Indiana for the Big Ten leadership. The Hoosiers meet Michigan tonight and like the Bucks can salvage a tie by winning.

Jimmy Hull, Ohio State forward and captain, will be shooting for the Big Ten individual scoring flag, needing only three points to surpass the 151 points compiled by Pick Dehner, Illinois center, who has completed his season.

PICARD FORCES SNEAD TO PLAY FOR GOLF PURSE

ST. PETERSBURG, Fla., March 4—"Slingin'" Sammy Sneed pocketed \$700 top money today after winning his first major golf tournament in many weeks, the St. Petersburg Open, by defeating Henry Picard, Hershey, Pa., sharpshooter, in a 25-hole playoff.

The West Virginian, biggest money winner last year, was tied with Picard with 207 for the first 54 holes, and then both turned in 69's, three under par, on the next eighteen. Finally Sneed won the playoff on the 25th green with a birdie two of Picard's three.

Picard won \$450 for his efforts, boosting to \$3,150 his winnings for the last two weeks. The Hershey golfer won top mmonney of \$2,000 in the Crescent City \$10,000 Open at New Orleans two weeks ago, and nabbed \$700 first money at Thomasville last week.

Yesterday's playoff was the longest in the history of the St. Pete event.

Camp Notes: Van Mungo Topic, DiMag's Contract Arrives; Detroit Rookie Hits

HOT SPRINGS, Ark., March 4—The New York Giants were set today to depart for their main training headquarters at Baton Rouge, La. In a final workout before leaving, and with Bill Terry pitching for both sides, Carl Hubbell's team defeated Hal Schumacher's combination, 31 to 13.

CLEARWATER, Fla., March 4—Van Lingle Mungo and his off-season activities were the chief topic of conversation in the Brooklyn Dodgers camp today.

Larry MacPhail said Commissioner K. M. Landis has been informed of Mungo's doings, "such as basketball and joining Joe Stripp's baseball school." There were reports that Mungo has been ordered to appear before Landis.

ST. PETERSBURG, Fla., March 4—Speculation was in the air today as to the exact amount of Joe DiMaggio's salary—and the unofficial figure was \$26,000. Manager Joe McCarthy announced DiMaggio's signed contract for 1939 had arrived at the New York Yankees headquarters in New York.

PASADENA, Cal., March 4—With only three "strays" still to report to the Chicago White Sox for Spring training, Manager Jim Dykes put his squad through another light practice session today. Still out of camp are Luke Appling, Gerry Walker and Rip Radcliff.

SARASOTA, Fla., March 4—The Boston Red Sox heaved a collective sigh of relief today after Lefty Grove warmed up on the mound and reported his arm felt O. K. Jimmy Foy made his first appearance at bat and the ball sailed over the left field fence 400 feet away.

SAN BERNADINO, Cal., March 4—Although their pitching staff remained incomplete through late arrivals, the Pittsburgh Pirates settled into serious Spring workout at Perris field today after their first taste of exercise and practice yesterday. Cy Blanton reported on schedule from his home in Oklahoma, but Pitchers Bill Swift, Truett Sewell and Ed Brandt, all were enroute.

RACE OF KANSAS AND DON LASH GETS ATTENTION

NEW YORK, March 4—With more than a score of I. C. 4-A colleges competing, there will be worlds of spirit but no world records on tap at the intercollegiate track championships in Madison Square Garden tonight. Some of the current crop of collegians are good, but not quite good enough seriously to endanger world figures. To be brutally frank about it, they will be lucky to erase as many as three of the existing I. C. 4-A marks. If any new world record is in the offing, it will be made in the special two-mile race which has been added to the program as a lure to the cash customers, who might otherwise stay away in droves. This is the event that will bring together Glenn Cunningham, king of the millers, Don Lash, boss of the two millers, Gregory Rice of Notre Dame and Tommy Deckard of Indiana.

If the pace is fast enough, Lash's 8:58 may go overboard.

A team of Circleville all-stars lost a 115-pin decision Friday night to the D. & A. Steers in a 10-pin match rolled in Chillicothe. Team totals were Chillicothe, 2,734; Circleville, 2,619.

Four of the Chillicotheans were far above the 500-pin mark, hitting for 557, 555, 546 and 563. The fifth was nine pins short of 500. Bob Campbell's 599 was high for the evening, but several of his teammates were on the skids.

ST. LOUIS STAR CALM OVER HIS HOLDOUT STAND

S T. PETERSBURG, Fla., March 4—Joe Medwick, slugging outfielder on the St. Louis Cardinal base team, today didn't have that holdout strained look. Joey was quite calm and at ease. Asked today whether he expected any difficulty in coming to terms with his Cardinal bosses, Joe replied: "No, we haven't discussed contract terms. I'm waiting for Mister Rickey to bump me here in the lobby or the patio as he has already stated for the press."

Informed that Boss Rickey was flying to Riverside, Cal., and would be gone at least a week, and that President Sam Breadon, of the Cards, had stated that all negotiations would be carried on by Rickey, Medwick said: "That means I can get in more golf and sea bathing before starting on the workout grind."

HOWARD'S COLT TO FEATURE BIG HIALEAH EVENT

HAILEAH PARK, Fla., March 4—Stagehand, the gallant Sickle colt owned by Maxwell Howard and trained by Earl Sande, is the leading character in the Widener \$50,000 classic to be decided this afternoon. Eight other equine actors also perform in the thrilling drama but Stagehand holds the center of the stage. Stagehand will enrich Howard \$47,450 if he lives up to his vaunted prowess. He will also be crowned king of the handicap division.

This princely stake is robbed of much of its glory by the enforced absence of War Admiral. The Man O' War colt was unfortunate to suffer from a throat infection and that proved an impassable barrier to surmount.

Anita Handicap Wide Open Fray

SANTA ANITA, Cal., March 4—Before an estimated crowd of 65,000 persons, 18 of America's finest thoroughbreds will battle it out today for the world's richest racing purse in the fifth renewal of the Santa Anita handicap.

And when it's all over, one of those horses will get his nose into the juiciest feedbag of his life—a \$90,000 meal, gold oats.

From an original list of 197 candidates, the field has been narrowed down to 18 overnight entries, and it may be that only 15 will go to the post, as three are intended to start only on a muddy track.

These are Mrs. Emil Denemark's War Minstrel, Kozinsky Brothers' Amor Brujo and the Binglin stable's Olimpo. All three were named also for the Burlington handicap, fifth race on the card.

The official weather forecast is for fair weather and a fast track.

Cravat in Favored Role Townsend B. Martin's Cravat probably will rule post time favorite in what appears to be the most wide open Santa Anita handicap yet staged.

There is no standout favorite such as Equipoise or Discovery or Seabiscuit, and the fact that all three went down to defeat is beside the point.

The glamour horse was removed from this year's field when Seabiscuit ruptured a suspensory ligament a couple of weeks ago, and no horse has come along to take his place.

Charles S. Howard's Kayak II, stablemate of the 'Biscuit, raced into the headlines when he came from behind to wear down Specify and win the San Carlos handicap in track record time, and was immediately established a strong future book favorite. He held his position safe until yesterday, when gobs of money for Cravat forced his price down to 3 to 1. Kayak, coupled in the betting with Sorteado, is a strong second choice, ahead of Major Austin G. Taylor's Whickee and A. A. Baroni's Specify.

Kayak, weighted at 110 pounds before he had shown his real class, is conceded to have a big bulge in the weights. Only four rank outsiders are weighted below him—Quick Devil with 109, Amor Brujo with 108, Frexo with 106 and Melodist with 105.

Top weight of 124 pounds will be packed by Kayak's teammate, Sorteado, 3-year-old champion of the Argentines last year, but apparently far from his best condition at the present time, probably because he has been rushed along too fast in an effort to pinch hit for Seabiscuit. He has been in the country only three months.

Stretch Run Thrilling Cravat, asked to carry 120 pounds, won his great following by turning on a terrific stretch charge in the San Antonio handicap at a mile and one eighth last Saturday. He finished fastest of all behind Whickee, Today and Congressman, all going back in the big handicap. Cravat is without doubt the strongest finisher in the field and will lay back and wait for the speed horses to back up to him.

Mrs. Parker Corning's Thanksgiving, the only filly in the race, Edward Friendly's Jacolia; Alfred Vanderbilt's Heffly; Today for Neil McCarthy, and Gosum for Nelson Howard, are all dangerous. Today, now 7, is running back to his good 3-year-old form, set a mile race record of 1:35 3-5 the day Seabiscuit broke down behind him. Gosum was winner of the San Pasqual handicap in January.

Louis B. Mayer's Main Man has slipped a trifle since his New Year's handicap victory.

Raoul Walsh is saddling Frexo apparently just to see his colors in the race. Fred Turner's Con-

gressman, a plater a week ago, earned a chance against the big shots by running third in the San Antonio. Mrs. Denemark will start War Minstrel in the mud, Melodist on a dry track.

With 15 starters, the handicap will be worth \$91,450 to the winner, including subscription and starting fees. Other prizes are \$20,000 to the second horse, \$10,000 to the third and \$5000 to the fourth. In addition, the trainer of the winner will receive a \$10,000 bonus from the Los Angeles Turf club.

WANER REFUSES PIRATE CUT OF \$5,500 IN PAY

PITTSBURGH, March 4—Paul Waner, "Big Poison" in the outfielding brother team of the Pittsburgh Pirates, was reported today ready to stay out of baseball during the 1939 season if the \$3,000 gap in his salary negotiations is not erased by the club. Paul is at his home at Sarasota, Fla., a holdout.

Paul was quoted here as admitting in a telephone conversation last night that his initial contract from the Pirates this year called for a cut of \$7,500. Later the cut was reduced to \$5,500 when Waner refused to sign. This now stands as the Pirate ultimatum. The elder Waner, whose salary last year was said to have been \$17,500 plus a \$1,000 bonus was quoted as saying:

"I don't like this holdout business any more than anyone else, but I've got to stand up and ask for what I think I am worth. I had what everyone thought a bad year last season but the club made money. While I'm agreeable to a slash, I think \$5,500 is nothing short of an amputation."

Waner is building a new home in Sarasota. When that's finished, if the Pirates stand has not weakened, he'll build four or five more and sell them for a living instead of chasing fly balls next Summer, he was reported as saying. (He'll take a cut of \$2,500.)

ST. PETERSBURG, Fla., March 4—"Slingin'" Sammy Sneed pocketed \$700 top money today after winning his first major golf tournament in many weeks, the St. Petersburg Open, by defeating Henry Picard, Hershey, Pa., sharpshooter, in a 25-hole playoff.

The West Virginian, biggest money winner last year, was tied with Picard with 207 for the first 54 holes, and then both turned in 69's, three under par, on the next eighteen. Finally Sneed won the playoff on the 25th green with a birdie two of Picard's three.

Picard won \$450 for his efforts, boosting to \$3,150 his winnings for the last two weeks. The Hershey golfer won top money of \$2,000 in the Crescent City \$10,000 Open at New Orleans two weeks ago, and nabbed \$700 first money at Thomasville last week.

Yesterday's playoff was the longest in the history of the St. Pete event.

Jimmy Hull Certain to Win Conference Scoring Mark

COLUMBUS, March 4—Assured of at least a tie first place in the Western Conference cage race in the event of a victory, Ohio State university tonight clashes with Purdue on the Fairgrounds Coliseum floor.

With a crowd of 11,000 persons anticipated, Ohio State was established as favorite to overcome the pesky Bollemakers and thus end a highly successfully season.

Ohio State is now tied with Indiana for the Big Ten leadership. The Hoosiers meet Michigan tonight and like the Bucks can salvage a tie by winning.

PRESBYTERIAN S GATHER MAY 23 FOR ASSEMBLY

Cleveland to be Scene
Of Meeting; 1,200
To Attend

CLEVELAND, March 4 — At least 1,200 church men and women from all parts of the United States and from 16 foreign lands, with several hundred others from Ohio, will attend a General Assembly of the Presbyterian Church in the United States of America at Cleveland May 23-31.

Mass meetings, addresses by eminent men and women, presentation of missionaries from China and other distant countries, singing by glee clubs and choruses and three days of meetings primarily for women from everywhere in the nation are on the program of the nine days. Business sessions of the General Assembly will be held May 25-31.

This May Assembly, which will be the 1939 national meeting of the Presbyterian church, is the 151st General Assembly. The first General Assembly was held at Philadelphia in 1789. The 150th General Assembly, which met at Philadelphia last year, celebrated the Assembly's Sesquicentennial.

In 1934 Cleveland was the city of the 146th General Assembly. The Assembly has met also at Cincinnati and Columbus a number of times in recent years.

About 160,000 of the 1,960,000 communicant members of the Church live in Ohio, and about 500,000 in states farther East. Though the Church has members in every state of the Union Ohio is located near the center of Presbyterian "population," and is convenient of access to more of the official delegates who are known as Commissioners, than most other states.

JUNIOR CHOIR OF M. E. CHURCH SINGS SUNDAY

The junior choir of the First Methodist church, under the direction of Mrs. James Moffitt, will make its second appearance Sunday evening. The number to be presented will be "The Lord is My Shepherd." The choir contains thirty young folk.

The anthem "I Am Jehovah Thy God," by Wilson, will be presented at the morning service by the church choir. Mrs. Moffitt and Thomas Heffner will sing "My Hope," by Brackett, as a duet.

The Rev. C. F. Bowman's sermon Sunday morning will be on "Owning of God." The sermon topic for the evening service will be "Overcoming Evil With Good."

Clocks, when purchased, have the hands placed at 8:20, presumably because they look better so. Placed so the hands are the same distance from the 12 and the six, two-thirds of the space on the dial being above the hands.

Peter Preaches to Gentiles

Cornelius, the centurion sees in a vision an angel who tells him to send men to Joppa and call Simon Peter, and Peter will tell him what he must do.

'Look unto Me, and be ye saved, all the ends of the earth: for I am God, and there is none else.'—Isaiah 45:22.

By Newman Campbell
GRADUALLY it has been dawning on Peter that God intends the new religion of Jesus to be preached to all men, not alone to the Jews. In today's lesson he has the lesson driven home very forcibly, and convinces his fellow disciples that henceforth they must preach to Gentiles.

In Caesarea there lived a Roman captain or centurion named Cornelius. He was a very fine man who loved God and who was very charitable. One day, while Cornelius was at prayer he had a vision. An angel came to him and told him that God had blessed him because of his good works. He was told to send to Joppa for a man by the name of Peter, whose surname was Simon. He would find him, said the angel, in the house of a tanner whose name was Simon, who lived in a house by the side of the sea.

When the vision was gone, Cornelius sent for two of his servants and one soldier who was very devout. He told them to go in all haste to Joppa and find Peter and bring him to Cornelius' house.

In the meantime, Peter too had been having a vision. Peter had gone to the housetop to pray at a certain time, as was his custom, and he became very hungry, and

fell asleep and dreamed. In his dream he saw a vessel let down from heaven with all manner of live beasts in it. A voice said, "Arise, Peter, slay and eat." But Peter objected, saying he never yet had eaten anything that was unclean—according to the Jewish law. Then the voice said: "what God hath cleansed, that call thou not common."

Peter was not at all sure what this vision meant, but he awakened to find three men were seeking him, and the voice that had spoken to him about the food again spoke and told him that he was to go with these men. So Peter went to them and they told him that Cornelius had had a vision and had been commanded to come to Joppa for him, and he invited them to stay with him. The next day all journeyed to Caesarea to Cornelius' house.

Cornelius told Peter about his vision and how he had been told to send for Peter, and then Peter began to realize what his own vision meant—that he was chosen to preach to this Roman soldier and his household and friends. So Peter told them about Jesus, how He had gone about doing good and preaching, and had been crucified and risen from the dead. And as he preached they were convinced and Peter baptized them and the Holy Ghost fell on them, even as it had on Peter and the other disciples.

But when some of his followers heard about this, they were displeased and censured Peter for living in the house and eating at the table with these Romans. Then Peter told them about his house-top vision and what it meant, and how the Holy Ghost fell on these Gentiles, and all were impressed with what Peter said, and glorified God.

In the week's reading, reference is again made to the story of the man who fell among thieves and who was aided by the Samaritan, to show that, as Peter said, when preaching to Cornelius and his friends, "Of a truth I perceive that God is no respecter of persons."

And further: "But in every nation he that feareth Him and worketh righteousness, is accepted with Him."

All this lesson refutes the claim of some that if their nation is superior to any other, "Are we not God's children, all"? as the hymn says. And should we not have respect and deal kindly and in a spirit of friendship with all? If we truly are Christians we will do so.

ILLUSTRATED SUNDAY SCHOOL LESSON

Scripture—Acts 10:1-48.

By Alfred J. Buescher

A vision also appears to Peter and a spirit tells him that three men are seeking him, and that he shall go with them, for they are sent of God.

Peter goes to Cornelius' house, and incurs the censure of some of the Jewish disciples, who think he should not eat with such as are not of the Jewish race.

But Peter defends himself and reveals that he has baptized Cornelius and the Holy Ghost has descended upon him. (GOLDEN TEXT—Isaiah 45:22.)

PRESBYTERIANS GATHER MAY 23 FOR ASSEMBLY

Cleveland to be Scene
Of Meeting; 1,200
To Attend

CLEVELAND, March 4 — At least 1,200 church men and women from all parts of the United States and from 16 foreign lands, with several hundred others from Ohio, will attend a General Assembly of the Presbyterian Church in the United States of America at Cleveland May 23-31.

Mass meetings, addresses by eminent men and women, presentation of missionaries from China and other distant countries, singing by glee clubs and choruses and three days of meetings primarily for women from everywhere in the nation are on the program of the nine days. Business sessions of the General Assembly will be held May 25-31.

This May Assembly, which will be the 1939 national meeting of the Presbyterian church, is the 151st General Assembly. The first General Assembly was held at Philadelphia in 1789. The 150th General Assembly, which met at Philadelphia last year, celebrated the Assembly's Sesquicentennial.

In 1934 Cleveland was the city of the 146th General Assembly. The Assembly has met also at Cincinnati and Columbus a number of times in recent years.

About 160,000 of the 1,960,000 communicant members of the Church live in Ohio, and about 500,000 in states farther East. Though the Church has members in every state of the Union Ohio is located near the center of Presbyterian "population," and is convenient of access to more of the official delegates who are known as Commissioners, than most other states.

JUNIOR CHOIR OF M. E. CHURCH SINGS SUNDAY

The junior choir of the First Methodist church, under the direction of Mrs. James Moffitt, will make its second appearance Sunday evening. The number to be presented will be "The Lord is My Shepherd." The choir contains thirty young folk.

The anthem "I Am Jehovah Thy God," by Wilson, will be presented at the morning service by the church choir. Mrs. Moffitt and Thomas Heffner will sing "My Hope," by Brackett, as a duet.

The Rev. C. F. Bowman's sermon Sunday morning will be on "Owning of God." The sermon topic for the evening service will be "Overcoming Evil With Good."

Clocks, when purchased, have the hands placed at 8:20, presumably because they look better so. Placed so the hands are the same distance from the 12 and the six, two-thirds of the space on the dial being above the hands.

Gardens of Southeast Discussed at Meeting

Pickaway Unit In Meeting At Pontius Home

Mrs. Richard Jones presented an interesting talk on the subject, "We Go Gardening in the Southeast," at the meeting of Pickaway County Garden club, Friday, at the home of Mrs. Turney Pontius near Thatcher. For interest and information, this was one of the outstanding sessions of the season.

Mrs. C. K. Hunsicker, president, opened the meeting with group singing of "America." Mrs. E. O. Crites played the piano accompaniment. Mrs. G. G. Campbell, secretary, read the minutes of the previous meeting and called the roll. An invitation to attend the Regional meeting to be March 8 in Williamsport was read. Mrs. Hunsicker presented Mrs. Jones at the close of the business session.

Mrs. Jones first discussed the Box Garden at Ashlawn, the restored home of James Monroe of Charlottesville, Va., and the Enchanted garden at the Poe memorial, Richmond, Va.

She mentioned the Colonial Gardens at Williamsburg, Va. and said that the Palace grounds are divided into innumerable small formal gardens some of which are the ballroom garden, the holly garden, the box garden and the terrace gardens. The private gardens at Williamsburg are very quaint and interesting and, like the gardens of the palace grounds, designed in geometric patterns.

Brookgreen gardens, near Myrtle Beach, S. C. contain many Azaleas and Camellia Japonicas. She discussed the Belle Isle gardens near Georgetown and the Azalea gardens of old plantations. She told of the Cypress gardens which include a Cypress forest planted with azaleas and various bulbs, and must be visited by boat.

The Magnolia Gardens are still owned by the descendants of the man who first planned "Magnolia on the Ashley." These gardens follow the English type of landscaping, and informal natural planting is found here. Middleton Gardens, the oldest landscaped gardens in America, are owned by a descendant of the first owner. These were planted in 1740.

Mrs. Jones concluded her talk with a few remarks on the Hermitage Garden at Andrew Jackson's home, Nashville, Tenn. She mentioned it as swinging to the victorian style and although a patterned garden, it is more ornate than Colonial gardens.

Refreshments were served to approximately 40 members and guests. The assisting hostesses were Mrs. George Steele, Mrs. John Mast, Mrs. John Bolender and Mrs. E. E. Porter.

Mrs. T. E. Schmidt was received as a new member during the evening.

PRESERVE OUR AMERICAN BIRTHRIGHT

One hundred and fifty years

ago our fathers, with infinite wisdom and vision, created for this country a new government and inaugurated a president instead of a king or ruler. The basis of this government was the Constitution which, evolved after great thought and labor, had been adopted by the Federal Convention and afterwards ratified by the states. Supplementing at the start by ten amendments which form the American Bill of Rights, and since expanded to meet the needs of a changing world, the Constitution of the United States remains today the most important document ever produced by the American people.

In our Bill of Rights the right of free men to trial and justice is specified: "No person shall be held to answer for a capital or other infamous crime unless on presentment or indictment of a grand jury... nor be deprived of life, liberty, or property without due process of the law; nor shall private property be taken for public use without just compensation." The accused shall enjoy the right to a speedy and public trial by an impartial judge... No fact tried by a jury shall be otherwise re-examined in any court of the United States than according to the rules of common law... Excessive bail shall not be required, nor excessive fines imposed, nor cruel and unusual punishments inflicted."

The last two articles of our Bill of Right take care to specify that in so enumerating certain rights there is no denial or disparagement of others retained by the people, and to make it understood that all powers and privileges not specifically delegated to the national government are reserved to the states and to the people.

These are all rights for which our ancestors had fought against Great Britain. Those colonists had seen their leaders threatened with deportation and trial by hostile courts. They had seen their houses broken into and their papers ransacked by royal officials. They had seen charters of government taken from them—their thriving industries checked and stifled—troops quartered among them. To prevent a recurrence of these things they risked their lives and their fortunes.

Today, we have the result of their struggles. Our living Constitution represents a compromise between the different factions and sections of the country, between the large and the small states, between the agricultural and the industrial states. It is the result of mutual concessions our fathers made for the sake of Union which was their only hope of strength, safety, and prosperity. Upon the Constitution along depends all our human liberty and social progress.

With its original provision for the three independent branches of the government, this great fundamental law continues to afford our chief reliance for "justice, domestic tranquility, the common defense, the general welfare, and the blessings of liberty to ourselves and our posterity." Upon it hangs our freedom, our well-being, and our destiny.

In every way we should preserve, protect, and defend to the utmost of our ability our precious American birthright, that we may say with Lincoln: "We are highly resolved that these dead shall not have died in vain... and that government of the people, by the people, and for the people shall not perish from the earth."

CLASS TO OFFER

THREE ACT PLAY

MARCH 9 AND 10

Wednesday evening your Red and Black reporter attended one of the many rehearsals now being conducted by Samuel R. Johnson in connection with the on-coming production of the play, "Life Begins at Sixteen." For the past two weeks Mr. Johnson and his complete cast of Juniors have been busy with rehearsals and business connected with the production. Next week Mr. Johnson plans to continue his rehearsals up until the presentations, March 9 and 10. Wednesday afternoon, March 8, he expects to have "dress rehearsals."

Mr. Johnson predicts that this play will put any other performance presented by Circleville high school pupils in the past. He goes on to say, "I have rarely seen a play that so faithfully mirrors life as it really is, and at the same time, is consistently amusing throughout. The entire cast of this play took to 'Life Begins at Sixteen' Like a duck takes to water."

This play is a three act comedy by Hilda Manning. The time is the present and the setting is the living room of the Hollis home. According to Mr. Johnson this play treats youth as it really is and at the same time the author has worked her humor into it so that everything goes along very smoothly.

Thursday the stage crew for the production was busy assembling the scenery for the play.

Tickets for admission to the play are being sold by all members of the Junior class and will go on reserve at Hamilton and Ryan's drug store, March 6, at 9:00 a. m.

MISS SNYDER, RAINS ADDRESS LITERARY CLUB

Monday afternoon the Poetry club was host to two guest speakers as a part of their study of poetry in foreign languages. This meeting was attended by a number of students and teachers who are not regular club members.

Miss Elma Rains spoke on Latin poetry. She explained that it differs from English chiefly in meter. Meter in Latin poetry is determined by the length of syllables, while in English it is determined by their accent.

She discussed several of Rome's chief poets and their works. Lucretius, the first outstanding one, was famous for his didactic poetry, that is, poetry written solely for the purpose of giving instruction. Catullus (Gaius Valerius Catullus) was Rome's first great lyric poet.

Quintus Horatius Flaccus, commonly called Horace, was chiefly known for his odes, although he also excelled in various other forms. Perhaps the most well-known to high school students is Publius Vergilius Maro, or Vergil, whose "Aeneid" is familiar to most people. His poems were of a more serious nature than those of Horace or Catullus.

Miss Eleanor Snyder, accompanied by Miss Abbe Mills Clarke, sang two selections in Italian, "Che Faro Senza Euridice"—"I cannot live without my Euridice"—from Von Gluck's opera "Orfeo ed Euridice" and "O Del Mio Amato Ben" by S. Donaudy. Miss Snyder read the English translations of the lyrics to illustrate the great rhythmic, emotional, and musical appeal of Italian poetry.

Next week the club will study in detail two of Shakespeare's sonnets, "When in Disgrace with Fortune and Men's Eyes" and "When To Sessions of Sweet Silent Thought."

In Meeting At
Pontius Home

Mrs. Richard Jones presented an interesting talk on the subject, "We Go Gardening in the Southeast", at the meeting of Pickaway County Garden Club, Friday, at the home of Mrs. Turney Pontius near Thatcher. For interest and information, this was one of the outstanding sessions of the season.

Mrs. C. K. Hunsicker, president, opened the meeting with group singing of "America". Mrs. E. O. Crites played the piano accompaniment. Mrs. G. G. Campbell, secretary, read the minutes of the previous meeting and called the roll. An invitation to attend the Regional meeting to be March 8 in Williamsport was read. Mrs. Hunsicker presented Mrs. Jones at the close of the business session.

Mrs. Jones first discussed the Box Garden at Ashlawn, the restored home of James Monroe of Charlottesville, Va., and the enchanted garden at the Poe memorial, Richmond, Va.

She mentioned the Colonial Gardens at Williamsburg, Va. and said that the Palace grounds are divided into innumerable small formal gardens some of which are the ballroom garden, the holly garden, the box garden and the terrace gardens. The private gardens at Williamsburg are very quaint and interesting and, like the gardens of the palace grounds, designed in geometric patterns.

Brookgreen gardens, near Myrtle Beach, S. C. contain many azaleas and Camellia Japonica. She discussed the Belle Isle gardens near Georgetown and the azalea gardens of old plantations.

She told of the Cypress gardens which include a Cypress forest planted with azaleas and various bulbs, and must be visited by boat.

The Magnolia Gardens are still owned by the descendants of the man who first planned "Magnolia on the Ashley." These gardens follow the English type of landscaping, and informal natural planting is found here. Middleton Gardens, the oldest landscaped gardens in America, are owned by a descendant of the first owner.

These were planted in 1740. Mrs. Jones concluded her talk with a few remarks on the Hermitage Garden at Andrew Jackson's home, Nashville, Tenn. She mentioned it as swinging to the Victorian style and although a patterned garden, it is more ornate than Colonial gardens.

CLASS TO OFFER THREE ACT PLAY MARCH 9 AND 10

Wednesday evening your Red and Black reporter attended one of the many rehearsals now being conducted by Samuel R. Johnson in connection with the on-coming production of the play, "Life Begins at Sixteen." For the past two weeks Mr. Johnson and his complete cast of Juniors have been busy with rehearsals and business connected with the production. Next week Mr. Johnson plans to continue his rehearsals up until the presentations, March 9 and 10. Wednesday afternoon, March 8, he expects to have "dress rehearsal."

Mr. Johnson predicts that this play will top any other performance presented by Circleville high school pupils in the past. He goes on to say, "I have rarely seen a play that so faithfully mirrors life as it really is, and at the same time, is consistently amusing throughout. The entire cast of this play took to 'Life Begins at Sixteen' 'Like a duck takes to water.'"

This play is a three act comedy by Hilda Manning. The time is the present and the setting is the living room of the Hollis home. According to Mr. Johnson this play treats youth as it really is and at the same time the author has worked her humor into it so that everything goes along very smoothly.

Thursday the stage crew for the production was busy assembling the scenery for the play.

Tickets for admission to the play are being sold by all members of the Junior class and will go on reserve at Hamilton and Ryan's drug store, March 6, at 9:00 a. m.

MISS SNYDER, RAINS ADDRESS LITERARY CLUB

Monday afternoon the Poetry club was host to two guest speakers as a part of their study of poetry in foreign languages. This meeting was attended by a number of students and teachers who are not regular club members.

Miss Elma Rains spoke on Latin poetry. She explained that it differs from English chiefly in meter. Meter in Latin poetry is determined by the length of syllables, while in English it is determined by their accent.

She discussed several of Rome's chief poets and their works. Lucretius, the first outstanding one, was famous for his didactic poetry, that is, poetry written solely for the purpose of giving instruction. Catullus (Gaius Valerius Catullus) was Rome's first great lyric poet.

Quintus Horatius Flaccus, commonly called Horace, was chiefly known for his odes, although he also excelled in various other forms. Perhaps the most well-known to high school students is Publius Vergilius Maro, or Vergil, whose "Aeneid" is familiar to most people. His poems were of a more serious nature than those of Horace or Catullus.

Miss Eleanor Snyder, accompanied by Miss Abbie Mills Clarke, sang two selections in Italian, "Che Faro Senza Euridice"—"I cannot live without my Euridice" from Von Gluck's opera "Orfeo ed Euridice" and "O Del Mio Amato Ben" by S. Donaudy. Miss Snyder read the English translations of the lyrics to illustrate the great rhythmic, emotional, and musical appeal of Italian poetry.

Next week the club will study in detail two of Shakespeare's sonnets, "When in Disgrace with Fortune and Men's Eyes" and "When To Sessions of Sweet Silent Thought".

Mrs. O. V. Ward, Miss Merle Kuhn, and Miss Geraldine Conrad were joint hostesses, Tuesday evening at a party at the home of Mrs. Ward in honor of Mrs. John Zeig, the former Miss Roberta Wern.

The evening was spent in playing bridge with prizes being won by Miss Georgia Bowers and Mrs. Shirley Cooper.

A lunch, cleverly displaying green and yellow wedding bells was served by the hostesses.

Among those present for the pleasant affair were Miss Esther Mae Petty, Miss Elizabeth Cromley, Mrs. Shirley Cooper, Miss Lillian Kaiserman, Mrs. Helen Hedges, Miss Georgia Bowers, Mrs. Josephine Bowers and the guest of honor, Mrs. John Zeig.

The monthly P. T. A. meeting was held Thursday night at the School auditorium. The meeting was opened by scripture reading and prayer being given by Rev. Harbaugh. The president, Mr. Fred Puckett, conducted the business of the association.

The program, in charge of Miss Helen Bowers, was opened by all singing "America," followed by an accordion solo by Ada Lou Beckett. Her selection was "Sidelwalks of New York." The high-light of the evening was a talk "A Parent's Responsibility to the School," by Mr. Harold Bowers of the State Department of Education. The next number consisted of a piano solo, "The Doll House," played by Paul Bowers.

The program was brought to a close by the showing of a two reel film on New England by E. F. Martin.

A St. Patrick's tea was held at the home of Mrs. R. S. Hosier where she entertained the Ashville Garden club. The assisting hostesses were Mrs. Seymour Millar, Mrs. Walter Hedges, Mrs. William Fisher, Jr., Mrs. Curtis Borror and Mrs. William Cromley.

The business meeting was in charge of the president, Mrs. Paul Cromley. The program consisted of the reading of a paper, "Novelities of Flowers of 1939" by Mrs. H. O. Harbaugh and a reading by Mrs. Roger Hedges, "Over the Garden Fence" by Professor Victor H. Riese of Ohio State university.

The color theme of green and white was used throughout the afternoon.

Fifteen members of the Garden Club will attend the Regional District meeting of Garden Clubs at Williamsport next Tuesday.

Many Letters Written to Farmers About Next Tuesday's Confab

C. OF C. PLANS MEETING

Briggs, Cromley Cite Need For Definite Program to Obtain Results

Pickaway county's two members of the National Rivers and Harbors Congress want the support of a strong, active flood control organization in this district, when they attend the meeting of the congress in Washington D. C. on March 23 and 24.

"It's no use for us to go to Washington unless we are backed by a strong organization," Harry J. Briggs, N. Court street, one of the members, explained Saturday. The other member of the congress is J. B. Cromley, Walnut township. "We didn't feel we accomplished much in our trip to the convention two years ago," Mr. Briggs explained. "If we go again without the backing of a strong organization from this district we'll be just a couple of boys visiting Washington. What we need is a strong organization backing a single program. We need to have more people interested in boosting the program."

Channel Cleaning Listed
Mr. Briggs said the general plan to relieve flood conditions in Pickaway county would include cleaning the channel of the Scioto river and constructing control dams on Walnut-Deer and Darby creeks.

Hundreds of letters have been sent to farmers urging their attendance at the Chamber of Commerce meeting next Tuesday noon when flood control will be discussed. The meeting will be held in the American hotel office shop. Mr. Briggs will be in charge of the meeting.

Speeding up the national flood prevention and control program for the protection of human life and property against the constant menace of yearly flood disasters; 2. Orderly development, conservation, and use of the nation's land and water resources for the benefit of all people, and the protection of the rights of states and local communities; 3. Completion at the earliest possible date of adopted projects, seacoast, lake and inland, and securing additional appropriations for allocations of funds therefor; 4. Completion of the missing links in the inter and intra-coastal waterways and the construction of feeders to bring the benefits of water transportation inland; 5. Adoption by Congress of the administration of recommended new projects which have a proper place in a comprehensive development of the soil and water resources; 6. Protection of water transportation, inland, coastal and sea-going, against restrictive measures which would deprive the people of its benefits; 7. Continued assistance and strengthening of the American Merchant Marine for national defense and commerce.

VIENNESE FILM STAR TO MARRY MARKEY TODAY

(Continued from Page One)
were married they would leave for Beverly Hills where they will make their future home.

The ebony-haired star was brought to America by Louis B. Mayer, of Metro-Goldwyn-Mayer. She was starred in "Algiers" by Walter Wanger and overnight became the rage of Hollywood. Her success was so great that all the blondes in Hollywood—or nearly all of them—began dyeing their hair a Lamarr black, and college boys began picking her as their dream girl.

However, the exotic Hedy had much to overcome when she appeared in Hollywood. She had been roundly criticized for making "Ecstasy," and that had to be forgotten before American fans warmed to her. Then came the story of her husband buying up all the available prints of the picture and their subsequent divorce.

She persisted in her desire to succeed, however, and humbly did as Hollywood directors told her, with the result that she has an excellent career ahead of her. It was pointed out that her chances to succeed are even better now, with her marriage to Markey. It is believed that Markey can and will guide her wisely and see to it that she is featured in screen plays best suited to her.

She then staggered into the home of her brother, Edward J. Schroeder, Jr., who lives next door, and collapsed.

WIFE OF GABLE READY TO ASK DIVORCE DECREE

LAS VEGAS, Nev., March 4—Mrs. Ria Gable, wife of the movie star, Clark Gable, probably will appear in court next Tuesday to ask for a divorce.

Her attorney revealed today that she will have completed her required six weeks' residence in Nevada on Monday and will seek the divorce the following day. The divorce action will be uncontested, and a property settlement has already been agreed on.

The divorce action will be heard before District Judge William Orr. Mrs. Gable will charge physical desertion instead of the usual mental cruelty on which most Nevada divorces are predicated, and the suit will be held privately with only attorneys and witnesses present.

It was believed Mrs. Gable will build her own home in Las Vegas and eventually become a permanent resident of the city.

AIRPLANE PLOT BRINGS INQUIRY

(Continued from Page One)
American Airplane corporations are under investigation by the department of justice, and repercussions of the scandal have shaken the capitals of five countries.

The amazing plot was nipped by the arms control division of the state department, but not until forty Grumman fighting planes, assembled by the Canadian Car and Foundry Co., of Fort Williams, Ontario, Canada, had been shipped to Loyalist Spain through France.

Eight members of the Turkish cabinet, including the prime minister and war minister, have been displaced in a shakeup which followed revelation of the arms plot. Thorough investigations of the attempt to circumvent the neutrality embargo on shipment of American war implements to either side in the Spanish civil war have been launched by the American, Canadian, French, Belgian and Turkish governments.

One official in the Turkish foreign office has been arrested, and extradition of the alleged ringleader, who fled to France, has been requested by Turkey.

SEALER RANGER WINS IN FIGHT AGAINST OCEAN

ST. JOHNS, Newfoundland, March 4—Aided by the S. S. Imogene, 131 crew members of the sealer Ranger won a battle against an icy sea today as their leaking ship reached the sheltered harbor of Trepassay on the southeastern tip of Newfoundland.

For 36 hours the Ranger's crew bailed with every container available to keep the stricken ship afloat until the Imogene towed the craft to safety.

Hindered by ice, snow and pounding seas, the Imogene successfully sent towing lines to the 68-year-old sealer by attaching them to barrels and floating them to the Ranger.

Gunga Din, Huck Finn, Villa on Movie Program

HERE you see Wallace Beery as Pancho Villa, star of the spectacular story of Mexican banditry, who portrays the leading role in "Viva Villa," opening at the Circle theatre Sunday for a two day run.

DOUGLAS FAIRBANKS, JR., weather-eye peeled for Cary Grant and Victor McLaglen, who are determined to break up his romance with lovely Joan Fontaine, eludes his buddies for long enough to employ his charms to good advantage in the screen adaptation of Kipling's immortal tale of adventure in India, "Gunga Din," which opens Sunday at the Grand theatre.

YOUNG Mickey Rooney, who in the past has 'stolen the picture' from many a famous star, comes into his own at last as a full-fledged star himself. Rooney makes his first solo starring appearance in the title role of Mark Twain's classic tale of boyhood joys and sorrows, "The Adventures of Huckleberry Finn." The picture opens Sunday at the Cliftona theatre where it will be shown for the next three days.

VIENNESE FILM STAR TO MARRY MARKEY TODAY

were married they would leave for Beverly Hills where they will make their future home.

The ebony-haired star was brought to America by Louis B. Mayer, of Metro-Goldwyn-Mayer. She was starred in "Algiers" by Walter Wanger and overnight became the rage of Hollywood.

Her success was so great that all the blondes in Hollywood—or nearly all of them—began dyeing their hair a Lamarr black, and college boys began picking her as their dream girl.

However, the exotic Hedy had much to overcome when she appeared in Hollywood.

She had been roundly criticized for making "Ecstasy," and that had to be forgotten before American fans warmed to her. Then came the story of her husband buying up all the available prints of the picture and their subsequent divorce.

She persisted in her desire to succeed, however, and humbly did as Hollywood directors told her, with the result that she has an excellent career ahead of her.

It was pointed out that her chances to succeed are even better now, with her marriage to Markey. It is believed that Markey can and will guide her wisely and see to it that she is featured in screen plays best suited to her.

She then staggered into the home of her brother, Edward J. Schroeder, Jr., who lives next door, and collapsed.

WIFE OF GABLE READY TO ASK DIVORCE DECREE

LAS VEGAS, Nev., March 4—Mrs. Ria Gable, wife of the movie star, Clark Gable, probably will appear in court next Tuesday to ask for a divorce.

Her attorney revealed today that she will have completed her required six weeks' residence in Nevada on Monday and will seek the divorce the following day. The divorce action will be uncontested, and a property settlement has already been agreed on.

The divorce action will be heard before District Judge William Orr. Mrs. Gable will charge physical desertion instead of the usual mental cruelty on which most Nevada divorces are predicated, and the suit will be held privately with only attorneys and witnesses present.

It was believed Mrs. Gable will build her own home in Las Vegas and eventually become a permanent resident of the city.

AIRPLANE PLOT BRINGS INQUIRY

(Continued from Page One)

American Airplane corporations are under investigation by the department of justice, and repercussions of the scandal have shaken the capitals of five countries.

The amazing plot was nipped by the arms control division of the state department, but not until forty Grumman fighting planes, assembled by the Canadian Car and Foundry Co., of Fort Williams, Ontario, Canada, had been shipped to Loyalist Spain through France.

Eight members of the Turkish cabinet, including the prime minister and war minister, have been displaced in a shakeup which followed revelation of the arms plot.

Thorough investigations of the attempt to circumvent the neutrality embargo on shipment of American war implements to either side in the Spanish civil war have been launched by the American, Canadian, French, Belgian and Turkish governments.

One official in the Turkish foreign office has been arrested, and extradition of the alleged ring-leader, who fled to France, has been requested by Turkey.

SEALER RANGER WINS IN FIGHT AGAINST OCEAN

ST. JOHNS, Newfoundland, March 4—Aided by the S. S. Imogene, 131 crew members of the sealer Ranger won a battle against an icy sea today as their leaking ship reached the sheltered harbor of Trepassy on the southeastern tip of Newfoundland.

For 36 hours the Ranger's crew bailed with every container available to keep the stricken ship afloat until the Imogene towed the craft to safety.

Hindered by ice, snow and pounding seas, the Imogene successfully sent towing lines to the 63-year-old sealer by attaching them to barrels and floating them to the Ranger.
